- Recently retired
- Older people
- Other

How does your church generally cope with change?

- . Very well - they are a high adaptable group who love change
- . Generally quite well if clearly explained and talked through
- . OK if they agree with it but otherwise hard
- . Highly reluctant to change much
- . Intransigent - change is virtually impossible

**6. What would
you say are the
two best
strengths of your
church?**

My Church

“God does not have a mission for his Church; He has a Church for His mission” Chris Wright

1. Denomination

2. Location & context

3. Approximate size of committed membership

4. Which 3 groups make up the largest proportion of your church?
