

# PARTICIPANT WORKSHEET

This week is about the big picture of God's work in the world throughout history. Where does justice fit in to the story of eternity? How do we, as God's church, play our part in bringing justice here on earth? You'll be hearing from a church in London, looking at the Bible together and then taking action to hear the perspective of someone outside the church.

## Group questions

Luke 4:14-21

- How would you sum up God's mission in the world?

- What kind of help or intervention does Jesus claim he is anointed to bring? (You might like to consider whether this change is spiritual, emotional, physical or relational, for example)

- Are you bringing the same kind of good news to others that Jesus did?

## Take-away action

In between now and next time, think of a friend, colleague or relative who is not a Christian who will give you an honest answer to the following questions, and ask them:

1. What comes to mind when you think about the person of Jesus?

2. What comes to mind when you think about church?

*Come back ready to share what you discovered.*
